BHAVYA MODI

IT STUDENT

Gujarat, India | modibhavya128@gmail.com | bhavyamodi27.vercel.app

SUMMARY

I am a second-year IT undergraduate with a strong interest in Python programming and Data Science & Analytics, focused on building a solid foundation in problem-solving and data-driven insights. Actively engaged in coding challenges and technical events to enhance analytical thinking and practical skills, with a passion for continuous learning and applying knowledge to real-world, data-driven solutions. Committed to growing as a tech professional through hands-on projects and collaborative learning.

EDUCATION

Bachelor of Technology in Information Technology **Aug 2024 - Exp. May 2028**

Birla Vishvakarma Mahavidyalaya

- Honours in Data Science and Analytics

Higher Secondary Schooling **May 2022 - March 2024**

New leap International junior science college

TECHNICAL SKILLS / LANGUAGES

Python	PHP	Pandas
C++	MySQL	Numpy
HTML, CSS, JavaScript	C	Data visualization

PROJECTS

Saarthi AI

- Designed and developed Saarthi AI to deliver smart, data-driven automation solutions for real-time insights.
- Enhanced system performance by optimizing AI models and streamlining workflows for faster and more accurate results.
- Integrated continuous monitoring and improvement mechanisms to ensure reliability, scalability, and long-term efficiency.

Human Resource Management System

- Developed a Human Resource Management System to streamline employee data management, attendance tracking, and payroll processes.
- Automated recruitment and performance evaluation workflows to improve efficiency and reduce administrative workload.
- Integrated secure data handling and reporting features to enhance decision-making and organizational transparency.

CO-CURRICULAR ACTIVITIES

- Actively participated in AWS Community Day 2026, gaining hands-on exposure to cloud technologies and networking with industry professionals.
- Selected among 8000+ participants for Convolve 4.0 Hackathon organized by IIT Madras, competing in a national-level innovation challenge.
- Selected for Policy Hackathon organized by IIT Kanpur, collaborating in a team to develop problem-solving solutions under competitive constraints.
- Completed 4-week Machine Learning Workshop organized by ML Club, BVM.

EXTRA-CURRICULAR ACTIVITIES

- Actively contributed in NSS as a volunteer.

ADDITIONAL INFORMATION

- **Languages:** English, Hindi, Gujarati
- **Certifications:**
  - TCS iON Career Edge - Young Professional
  - Python(basics) By HackerRank
- **Awards/Activities:** Genesis 2024 Departmental Winner and secured 3rd Rank in the Data Science Quiz Competition.
